Unisto Modulo 1

Uniquely designed Security Seal for a variety of special applications such as Carton Boxes, Pallets Tote Boxes and many other applications which are currently not possible with standard seals. Mainly used in the Retail, Logstic and Transport sectors. Unisto Modulo 1 offers lengths of ribbon from 400 mm to 2800 mm. The concept of the seal enables to insert the ribbon in a hole of minimum 5 x 2 mm. Bar-coding ensures fast and accurate data capture and streamlines any process. Various colours for logistical function available.
